SOC 2 Type 2 Compliance

Unqualified Opinion

In our opinion, in all material respects:

- a) The description presents Webull Corporation's system that was designed and implemented throughout the period July 1, 2024, to June 30, 2025, in accordance with the description criteria.
- b) The controls stated in the description were suitably designed throughout the period July 1, 2024 to June 30, 2025, to provide reasonable assurance that Webull Corporation's service commitments and system requirements would be achieved based on the applicable trust services criteria, if its controls operated effectively throughout the period, and if the subservice organization and user entities applied the complementary controls assumed in the design of Webull Corporation's controls during that period.
- c) The controls stated in the description operated effectively throughout the period July 1, 2024 to June 30, 2025, to provide reasonable assurance that Webull Corporation's service commitments and system requirements were achieved based on the applicable trust services criteria, if the complementary subservice organization and complementary user entity controls assumed in the design of Webull Corporation's controls operated effectively throughout the period.

Prescient Assurance LLC confirms SOC 2 Type 2 compliance by Webull Corporation in accordance with the AICPA's Trust Service Criteria for Security, Confidentiality and Availability.
